## Kurv Building Info

- The building wash has recently been completed, refreshing our award-winning facade.

This Christmas, Kurv has partnered with Emmanuel City Mission for their 2024 Christmas Appeal. Emmanuel City Mission aims to ensure that no one feels alone this Christmas. Through your generous support, we can provide a warm meal, a safe place to rest, and a caring community for those who need it most.

We encourage our Kurv community to get involved by donating mens and womens shirts, socks and underwear unwrapped under Kurv Christmas Tree in the lobby between 04 - 13 December.

We ask that gifts are to be unwrapped for sorting of sizes and gender.

Thank you, Kurv Management.
